Dear Sir/Madam,

### **Sub: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

We wish to inform you that due to unprecedented torrential heavy rains from August 29 to August 30, 2020, the Company's manufacturing facilities located at Mandideep in Madhya Pradesh housing Large Industrial Machines ( LIM) , Drives and Automation ( DAI) and Rail transportation Traction Electronics (RTTE) divisions, has been affected due to water logging inside the premises leading to temporary suspension of operations.

The Company has activated its contingency plans in line with business continuity management processes intended to ensure that there is minimum disruption to maintain supplies to the customers. The Management is confident that normalcy in operations will be restored in a short time.

We would appreciate if you could please take the above on record.

Thanking you

Yours faithfully,

For **CG Power and Industrial Solutions Limited**
